"Aside from the victory of El Paso in getting the convention the El Paso in getting the convention the El Paso delegation succeeded in having a resolution introduced by the El Paso delegates, passed unanimously by the convention. This was for an amendment to the state inspection bill, providing that it will include carpenters, plumbers, electricians and plasterers, in addition to brick masons, on the state inspection board provided for by the bill to inspect all public buildings of the state. The resolution recommending that the qualified voter be required to read and write the English language was introduced by our delegation, but was withdrawn and a substitute political resolution favorable to the El Paso delegates, was passed in its place.

El Paso is Hengred.

In addition to the honor of being se-

In addition to the honor of being selected as the next meeting place, the federation elected P. C. Standish second vice president of the state federation and delegate A. M. James was made and delegate A. M. rames was inner chairman of the resolution committee. Both Mr. Standish and Mr. James were delegates from the Central Labor union of El Paso. Mr. Standish representing the carpenters' union and Mr. James the bricklayers' union in the central body.

EARTHQUAKE SHAKES NORTHEAST SONORA

Douglas, Ariz. May 21 -A sharp earthquake shock has been felt earthquake shock has been felt throughout northeastern Sonora, according to reports reaching here. At Hacienda Mababi the quake was noted at 2.44 a. m. The force was greater in the Granagos section, south of Mectesuma. There one or two adobe buildings erumbled, causing the people to run into the streets badly frightened, but laparing no one.

Water conservation is the chief interest of Haulenda Mababi at present. Three wells have been sunk, encoun-

terest of Hantenda Mabbol at preschi-Three wells have been sunk encoun-tering a good flow at about 350 feet. The fourth has now reached 250 feet. Nine large springs on the ranch have also been conserved by construction of dams to form reservoirs. Indications are that the calf crop of that section will be unusually prolific, according to managing director J. T. Paxton.

ALBUQUERQUE BAISES ITS FUND FOR STATE FAIR

Executive Group Alone Collects \$1225 in Three Hours; Reports To Be Re-ceived at Commercial Club. Albuquerque, N. M., May II.—The executive committee and the 15 sub-committees collecting subscriptions for the state fair, in the semi-winder of their captuss yesterday met with phenomenal success, according to mayor Schlers.

nomenal success, according to mayor Sellers.

The mayor, who was with the executive committee, said that his party shene had collected \$125 from 2 until 5 or ock yesterday afternoon. The executive committee has not the choice territory. He field includes only that not covered by the subcommittees and a subcommittee was appointed for every block in the downtown district.

There is little doubt that the subcommittee collections will total \$10,000 by tonight, mayor sellers said The subcommittees and subcommittees and subcommittee and the first, furnished by the executive committee and but little collecting remains for them to do today.

The executive committees are axpected to attend the mass mering in the interest of the subcommittees are axpected to attend the mass mering in the interest of the state fair to be held at 8 octock tonight at the committee.

ALLIES WILL ASK TERREY
FOR BIG WAR INDEMNITY

Paris, France, May 21.—The Bulgarian minister of finance. T. Theodoroff, who is to represent Bulgaria at the financial conference in Paris in connection with the Balkan settlements, says the Balkan states will ask for a war indemnity of two billion frances (\$400,000,000), of which Bulgaria's share would be \$1,000,000,000 frances, merely for reimbursement of purely military expenditures and the cost of pensions for those incapacitated and the families of the killed.

ALASKAN BARGE IS WRECKED

Cordova, Alaska, May 21.—Nine men were drowned Sunday night when a storm blew a pile driver and a barge at the men were drowned Sunday night and a barge at the men were building a fish trap for the Northwestern Fisheries company at the mouth of the Martin river, near Katalka. A Inflows storm came with which the pile driver and harge at the accusement park employers but the captured was found too small for himself to support her could be found and two were pisced together and supported with chairs.
